

October 1, 2023

Dear Patients,

I have had the pleasure of serving the vision care needs of our community for the past XX years. My staff and I have built our practice on the philosophy of providing the most personalized vision care possible. It's been such a privilege meeting a great many people and developing lifelong friendships with so many patients.

After much thought and deliberation, I have decided to join my practice with another local group of optometrists at the Fontana Optometric Group Inc. The great thing about this partnership is that I will still be here to see you and provide you with the same care that I have in the past. To this end, I am pleased to announce that my practice ownership will transfer to Dr. Richard Gray, and Dr. Jason Flores, respected colleagues and current owners of Fontana Optometric Group, Inc. Their highly qualified team, shares the same commitment to personalized and excellent eye care. The office will continue to operate as an independent practice in its current location with the same friendly service you have come to love over the years. Over the next year, we will transition to the new name of the practice, Optometric Group of Upland Downtown

At your next annual eye exam, I encourage you to meet the new doctors and fully expect they will meet and exceed your expectations. Thank you again for your loyalty and friendship throughout the years. I look forward to seeing you again soon.

Sincerely,

Felica Simonis, O.D.
